

# FLEXI LEXI EDGE 0712

## IP67 Flexible LED Neon Product

- High quality IP67 Flexible LED Neon product with horizontal bend-able
- White/ Monocolor/ RGB option available
- Small bending radius – 30mm
- Fast connection accessories available to make the installation easy
- UV and yellowish resistant
- L70 B20 > 50,000hrs
- Cuttable every 50 mm

**PHILIPS**  
LUMILEDS

Technical Specification	
Lumen Output range	35lm/w
Module Power	10w/m
Operation Mode	24V Constant Voltage
Color Temperature	2700K / 3000K/ 4000K/ 6000K/ R/G/B/RGB
CRI Option	>80
Lifetime	50000 hrs
Dimension	7.5mm x 12mm
Bending Radius	30mm
IP Rate	IP65
Dimming Option	1-10V/ DALI
Operating Temp	-40°C - 65 °C

### For Installation:

### For Connection:

\* Special factory pre-fit required for IP68 connection

\*\*IES Files are available on request
